#### **Cash Management Online Services**

- Advanced Internet Banking Services Create and authorize special internal logon credentials for
  employees, allowing access only to those features you choose. Our internet banking site allows you to
  review account histories, review copies of paid checks and transfer money between accounts, all from our
  encrypted website.
- Remote Deposit Capture Remote deposit is a simple and secure method that allows you to deposit checks right from your office. Save time and reduce costs and risks by allowing us to help you turn your PC into a virtual teller.
- Bill Pay Service Pay Bills online as part of our free internet banking service.
- Direct Deposit Service We will process your NACHA formatted direct deposit payroll file at no extra cost to you.
- *ACH Services* Allows you to initiate ACH deposits and payments through our secure internet banking site. This provides both safety and convenience.
- Wire Services Safe and secure means of moving large dollar amounts from bank to bank within the US and Internationally. Wires can be initiated online or in person.
- Debit Card Access your account with the use of a Mastercard debit card. This allows you to access cash at ATMs or to purchase goods and services wherever Mastercard is accepted. The funds are debited automatically from your checking account.
- Merchant Card Processing Accept credit and debit cards through your website, retail store or phone
  center. Direct deposit of funds to your Woodlands National Bank account is fast and convenient. 24-hour
  customer service help line is available.
- Positive Pay An automated check matching program that allows you to monitor checks processed for payment against your account and reject unauthorized transactions before losses occur.
